Emergency Issuance of Temporary Claims Adjuster Licenses

In response to the recent rains and flooding in the state, New Hampshire Insurance Commissioner Roger Sevigny has exercised authority granted to him under NH RSA 402-B:11 to issue temporary claims adjuster licenses. License applications may be downloaded by clicking here: [\[application\]](#). You may contact the department's licensing manager at 271-0203, ext. 215 should you have any questions.

Only claims adjusters in the employ of a licensed carrier and claims adjusters holding a current claims adjuster license in another state will qualify for the temporary license. All temporary licenses issued pursuant to RSA 402-B:11 shall expire 6 months following the date of issue.
